Revision of the Scale of Mil clerks in the Kolar Gold Fields

From the D.C. Kolar Dt

Letter No. A.S.C 77/43 dt 14-8-43

In continuation of his letter dt 14-7-43 forwds the Proposition Statement in respect of the proposed revision of the Scale of Mil clerks

7) The same difficulties of dislocation of work are contemplated on account of the appointment of a clerk on Rs 20-1-25. Who is often disturbed. The present proposal is to revise the Scale to Rs 25/30 as a special case. Kolar Gold Mines is a Rich mine & its income may not be adequate as to afford payment of the increased cost. His office is not aware of the financial condition of the mine.

A similar proposal relative to the French Rock mine of Mysore is sanctioned and in that case, the Minister for Supply stated that as similar difficulties are being felt in other mine of Mysore, action may be taken to remedy the matter. Action is being taken on that point separately. Called for after the proposal of the Commissioner will have a clerk on Rs 25-1-30 instead of on Rs 20-1-25 may be approved, as it is recommended by the Kolar Gold Mines

Mines & Geology will be consulted by Labour Dept
